| PHOTO |  <p>The photograph shows an aerial view of an industrial facility. In the foreground, there is a large, light-colored building with a gabled roof and a sign that reads 'CIMA'. To the left, a tall, thin chimney stands out against the sky. The complex consists of several interconnected buildings with dark roofs. In the background, there are rows of trees and what appears to be a parking lot or an open area. The overall scene is industrial and somewhat desolate.</p> |
