PHOTO	 A photograph of a stone building facade. The building is constructed from light-colored, roughly-hewn stone blocks. On the left, there is a wooden door with a small window above it. To the right of the door is a window with a wooden frame and a small sign above it. Further right, there is another window with a wooden frame. The building is situated on a street, and a shadow of a person is cast on the wall to the left of the door.
