PHOTO	 An aerial photograph taken from a high vantage point, likely a church tower, looking down over a town. The view is framed by the dark, scalloped edges of the tower's opening. In the foreground, several dark, conical roofs of the tower are visible. Below, a town with a mix of stone and brick buildings is spread out. A prominent stone building with a red-tiled roof is in the center. A parking lot with several cars is visible in the lower right. The background shows more of the town and some greenery under a clear sky.
